Only 15c Each for Nice Cylinder Records

If you have EITHER A COLUMBIA OR EDISON PHONOGRAPH now is your opportunity to get a stock of good records. The Columbia Phonograph Co. have discontinued making Wax Records, having decided in future to devote their time to making the Two and Four Minute Indestructible Records. For this reason they have given their dealers permission to close out their Wax Records at only 15 cents each. We have about 1500 of these records left and from now until February 25, inclusive, we shall make the price 15 cents each to close them quick as we need the room for Indestructible Records. We have a fine assortment of subjects at present so now is your chance to lay in your stock of records for these winter months. Played on either Edison or Columbia machines. You may never again have the opportunity of having nice records at less than half what you are paying for Edison. We also carry about 5000 Edison Records in stock, also Victor, Columbia, Zonophone and Reginald Disk Machines and Disk Records. No other house in Vermont carries such a variety of Talking Machines and Records. A nice line of New Grand Opera Records, just in.

GROTON.

D. F. Heath Passed His 70th Birthday on Thursday.

D. F. Heath passed his seventieth birthday Thursday. Mr. Heath is hale and hearty and in looks and appearance compares favorably with those ten or fifteen years younger. He was born in Groton February 17, 1840, the son of Daniel and Mary Heath and was one of a family of fourteen children. Only Mr. Heath and two sisters are now living of this large family. For thirty-five years he lived in the home across the river now owned by Dr. S. N. Eastman. About twelve years ago he sold that place and went to Sutton, where he lived with his son, Mr. V. Heath, two years, and he then returned to Groton and has since lived in the Paul house on Main street. Mr. Heath has a great talent for music and plays on the same violin to-day that he used when he was twelve years old. He was chorister of the Methodist church choir for many years and in still occasionally seen in his old time place. He was also a teacher of vocal and instrumental music and was wonderfully accurate in time and a thorough instructor.
